Michigan Has Two Options to Vote Early

- At an Early Voting Site prior to Election Day.
- By using an Absentee Voter Ballot prior to Election Day.

What is EARLY VOTING?

Early Voting is the opportunity to cast a ballot in person at an Early Voting Site before Election Day. For voters, the early voting experience will be similar to the experience of voting at a polling place on Election Day and will include feeding their completed ballot into the tabulator.

What is ABSENTEE VOTING?

Absentee Voting is the process of requesting a ballot from your city or township clerk by using an Absentee Ballot Application. After completing the absentee ballot, you can return the ballot to your city or township clerk, either in person, in a secure ballot drop box or by mail.
You can also return your completed absentee ballot to an Early Voting Site by checking in with the election workers, then inserting your ballot into the tabulator.

When does my Absentee Ballot need to be turned in?

MOST VOTERS: By 8 p.m. on Election Day.
MILITARY & OVERSEAS VOTERS: Within six days of the election as long as it is postmarked by Election Day.

What is a Ballot Drop Box?

A Ballot Drop Box is a secure, locked structure that voters can use to return completed Absentee Ballot Applications and Voted Absentee Ballots. You can only use the Drop Boxes that are located in the city or township where you live.

What is the Permanent Mail Ballot List?

You can sign up to be placed on the Permanent Mail Ballot List by completing an Absentee Ballot Application. By joining this list, you DO NOT NEED to complete an Absentee Ballot Application for each election.

What are the Photo ID Requirements to Vote?

YOU DO NOT NEED A PHOTO ID TO VOTE IN MICHIGAN.
You will be asked to provide a Photo ID when you arrive to vote either at the clerk's office by Absentee Ballot, at an Early Voting Site or at your Polling Location on Election Day. If you have an acceptable Photo ID with you, you MUST show it when asked.
